Class Payment Policies and Calendar

2015-2016 School Year

Program Design

Our program is set up to run through the entire school year – about nine months. The tuition payments are monthly, but the classes are continuous – they do not run from month to month. When you enroll in a class in the fall, this class will build through the year and culminate at the end of May. If you need to withdraw from classes for any reason, you only need to give us a month's notice by filling out a withdrawal form, available online or in our office.

Registration and Payment Information

Fees for our school-year classes are broken up into nine monthly tuition payments. To register for a class, you must pay a tuition deposit equal to one month's tuition, plus your first month's tuition. Your tuition deposit will be applied to your last month of class, which we assume to be May unless notified otherwise. In addition to tuition, you must pay the Annual Administration Fee of \$39 per family, if due. Registration is taken on a first-come, first-served basis. New students may enroll at any time on a space-available basis.

- Classes run from August 24th through May 27th
- Each tuition payment covers four weeks of class. Please note that these four-week payment periods do not align with the calendar months, especially in the fall. This fall, most payment periods start and end near the middle of each month.
- For monthly tuition rates, please see the Monthly Tuition List.

Please Note: Each payment covers four weeks of classes, however the four weeks covered by a payment do not always line up with the beginning of a month. Instead of making payments due on a different date each month, we simplify your calendar and have all payments due on the 1st of each month. See the Monthly Payment Schedule below a full list of which classes are covered by each payment.

There is no need to worry about making up classes that you miss while we are closed for Thanksgiving, Winter, or Spring breaks. Those weeks are not included in the class schedule!

Monthly Payment Schedule

- Ø Our classes run from Monday, August 24th through Friday, May 27th. Tuition is paid monthly.
- Ø A tuition deposit and the first month's tuition are due upon enrollment. If you start at the beginning of the school year, the first month's payment is the September 1st payment. Please note that the payment due dates do not line up with the payment periods for the first semester, due to Thanksgiving and Winter Breaks.

Family Discount: You pay full price for the most expensive tuition in your family; all additional students are 20% off. This discount applies only to immediate family members living under the same roof.

Multiple-class discount: If your child attends more than one class, you will pay full price for the most expensive tuition and get a 20% discount on all other tuitions for that student.

Early Bird/Night Owl Discounts: We offer a discount for classes that run during non-peak hours. Early Bird discount applies to classes that are finished by 3 PM Monday through Friday. Night owl discount applies to classes that begin at 7 PM or later. Early Bird and Night Owl discount is 20% off. This discount cannot be combined with any other discount.

Annual Administration Fee: The annual administration fee of \$39 is a family fee. It remains the same regardless of the number of immediate family members enrolled at Airborne. This fee is paid upon initial registration and every 12 months thereafter. This administration fee helps cover the cost of registering and maintaining your family in our records. This fee is not refundable or transferable, but we will honor its value for 12 months.
