

# Junior Technique Classes

## 2019-2020 School Year Dance

Ages 9-12 always start here.

7 & 8 year olds with at least one year in Ballet or Jazz may take Junior Ballet and Jazz.

7 & 8 year olds may start in Junior classes for other disciplines- see age groups listed on classes.

**Junior Dance** classes offer students a deeper look into the specifics of dance technique. Whether it is ballet, tap or hip-hop, dancers will learn the detailed skills, choreography and history needed to excel in each form. Students will focus not only on what they are doing but HOW they are doing it, taking a fundamental knowledge of dance and developing it into proficient technical skill.
